The Classroom

“ I have developed a deeper understanding and a far greater love for French than I ever had before. I now feel I have a polished accent without ever going to France, and my grammar and written work have really been brushed up. It was a perfect course and a very enjoyable one at that. ”

The Classroom

- 🎓 Student assessment and class allocation are completed on arrival.
- 🎓 Ongoing monitoring and assessment takes place weekly and a full, written report via email provided to parents upon conclusion of the course.

Intensive Exam Preparation, with special focus on:

- 🎓 Exam – specific preparation and revision for the Oral and Aural exams.
- 🎓 Exam & Study techniques which assist students to achieve improved grades.
- 🎓 Revising basic grammatical structures.
- 🎓 Develop confidence to communicate in the target language.

“I just wanted to express my gratitude to all your staff at Gurteen. My daughter had the most wonderful time at your camp, and met the most lovely friends from all around the globe. Not only did she learn French, more importantly she has developed a love for the language. She continues to be in contact with friends from abroad, and messages her friends in French, and they in English, and they correct each other's texts if there's an error, so the learning is continuing.”

Course Eligibility:

Our Language Interaction Courses are open to **all secondary school students from 13 years of age to Leaving Certificate**. Students must have completed **one academic year of their chosen language**. We ask that students be willing and motivated to participate in all the exciting and stimulating classes, activities and events associated with their Language Interaction Programme.
